

## EDPR ENVIRONMENTAL MANAGEMENT SYSTEM IN EUROPE

EDPR has implemented, in all its facilities in operation in Europe, an Environmental Management System (EMS) developed and certified according to the international standard ISO 14001:2004.

The EMS documents are available at <http://www.edpr.com/sustainability/documents-library-and-publications/>

To facilitate the access, following are the main EMS documents applicable to our suppliers:

- EMS documents applicable to our suppliers in [Europe](#)
- EMS documents applicable to our suppliers in [Spain](#)
- EMS documents applicable to our suppliers in [Portugal](#)
